## STARS OF JACK BENNY REVUE

The gay traditions of the Parisian Latin quarter's original Artist's Ball are brought to the screen in "Artists and Models," currently showing at the Sequoia Theatre. Jack Benny, Ida Lupino, Gail Patrick, Richard Arlen, Martha Raye, Ben Blue, Judy Canova, and the Yacht Club Boys head the fun cast, supported by Louis Armstrong's swing band and Andre Kostelanetz and his orchestra. The second feature is "Hideaway," starring Fred Stone.

## Crew Will Act As Signalmen

Redwood City Sea Scout Ship No. 145 will play an important part in the Sea Scout Regatta this week end as the official headquarters.

The crew under the leadership of Skipper Victor Hugo and Mates Carlock and Torley will erect their land ship Challenger to become the focal point for [illegible] and information.

Members will act as aides to the host of 450 Sea Scouts and their leaders who plan to take part in the fourth annual Northern California Sea Scout Regatta at the Redwood City Yacht Harbor, September 4 to 6. All events will be signaled from the masts of the Challenger by the signalmen of Ship No. 145.

The committees for the regatta are actively engaged in preparations to assure the young tars of a worthwhile three days. The subcommitteemen, mostly of Redwood City, have the task of making ready for the horde.

Howard King, Sea Scout commissioner, has made arrangements for grounds, traffic control and lighting effects. Max Leonard is in charge of the dance and parade Saturday night.

J. Franklin Reid, field executive for the Boy Scouts, is the camp superintendent and is working with Ship 145 and King to assign berths and camping sites for the visitors.

Prizes for special demonstrations and events add spice to the competition.

Visitors are welcome at all times. Sailing events are scheduled for Sunday afternoon.

## Heavy Fines Hit Speeders

While overparking continued to occupy the limelight in local enforcement of traffic laws, speeders were chief targets of citations issued by the highway patrolmen to motorists tagged near Redwood City, the large majority of them on the Bayshore highway.

One $15 fine, two for $10, eight for $5 and two for $2.50 were the financial toll of speeders outside the city's limits. Overparking here paid $14 in fines.

Fined $15 was Manuel Loshnertos of San Francisco; $10, J. E. Buie of San Francisco and Charles A. Swain of San Jose; $5, Edward Hintze, Claude J. McDowell and James W. Fox of San Francisco, Howard Huntley of San Carlos, Eddy Cabral of Santa Clara, Willis Hester of Mountain View and Celia B. Roth and Charles Mase of Redwood City; $2.50, Lee Kreiger of San Francisco and Melvin W. Flynn of San Jose.

In addition Alva J. Pratt of Friendly Acres and Gordon W. Watkins of Palo Alto were assessed $2.50 for failure to stop at arterials, and Harold Yerxa of Los Angeles was penalized $1 for having an overcrowded front seat.

Overparkers who pungled up $1 apiece were: J. F. Holvey, Howard King, Mrs. W. W. Trembath, H. H. Ralston, Sven Engdahl, C. G. Tower, W. W. Hilton, W. J. Logue, H. Bonner, Henry Nissen, Robert Frazier, M. E. Allen, Peter Hinrichs and Pierre Luc.

**FACES NEW CHECK CHARGE**

## STARS OF 'THE GOOD EARTH'

When Pearl Buck's stirring story of Chinese life, "The Good Earth," appeared on the literary horizon it not only swept to the top of the best-seller class but won the Pulitzer Prize for the best novel of the year. Now comes the screen transcription, with Paul Muni playing the outstanding role of his career as the Chinese peon who becomes an overlord. Luise Ranier as the faithful wife, O-Lan, is co-starred.

## MENLO PARK NEWS NOTES

Mrs. Louise Hall, wife of the late H. C. Hall, passed away at Corte Madera last Sunday at the age of 68. Mrs. Hall, nee McGurren, came to Menlo Park at an early age, attending the grammar school, afterwards marrying the principal, Mr. Hall.

She left Menlo Park nearly 40 years ago, residing in Marin county nearly all that time. Her son, H. C. Hall, is the principal of San Bruno Grammar School. Her other son, George W., is the assessor of Marin county.

Mrs. Hall is also survived by two daughters, Mercy M. Hall and Mrs. Mabel Pierce. Another daughter, Mrs. Mary Hall Densmore, died a few years ago.

The deceased spent her girlhood here with Mr. and Mrs. John Loughran, and on their deaths inherited a portion of their property which included the site of the Oak Grove Villa.

The Hall family has for many years been closely associated with San Mateo county's education, and George W. Hall, a brother, is the superintendent of schools of San Mateo. A sister of the deceased also was teacher in San Diego for many years and the whole family was noted for its gift as educators. H. C. Hall graduated from Redwood City Grammar School in the 1870's. Both he and his brother George taught in Menlo Park.

James W. Hoff, a pioneer of Menlo Park, passed away at his home here last Monday. The funeral took place Wednesday morning from the Church of the Nativity.

Mr. Hoff came to the community 50 years ago from San Francisco, where he was born. Mr. Hoff was employed several years ago in the Base Hospital where he suffered injuries that rendered him an invalid.

He came to Portola in his boyhood to live with the late James Dempsey. Many years ago he was elected constable of his township, serving one term.

Mr. Hoff was well liked by all who knew him. He is survived by three children, Mrs. Eva Peterson, Mrs. Mary Kotter, Edward A. Hoff, and his wife, Elizabeth Hoff.

Mr. and Mrs. F. A. Constable, who were married in San Francisco last Saturday, have taken a home in Menlo Park. The pretty bride will continue at Stanford where she is seeking a master's degree. Her husband will follow his profession as architect in San Francisco.

Miss Agnes and Miss Bessie Mason have returned to their home after spending the summer at the Mason cottage at Seabright.

Miss Margaret Dewey has opened a fancy dress shop in the bank building on the highway.

Mr. J. Tuttle has come back from the oil fields in Kern county where he has been for some years and will remain here for some time. He is accompanied by his charming wife.

Mrs. Frank Maloney has opened a ladies' dress establishment in the Maloney building. It is known as "The Clothesline."

The card party given by Menlo Park A.L.A. unit No. 443 Tuesday night was a social and financial success. These parties will be given every month.

Mr. and Mrs. W. H. Weeden, their daughter Isabelle Weeden Lindquist, and her children, Emma Roberta and Billy, are spending the holiday in Sacramento.

Miss Dora Brett, who is visiting her grandmother, Mrs. Carroll A. Devol, is spending the week-end with relatives in Fallen Leaf.

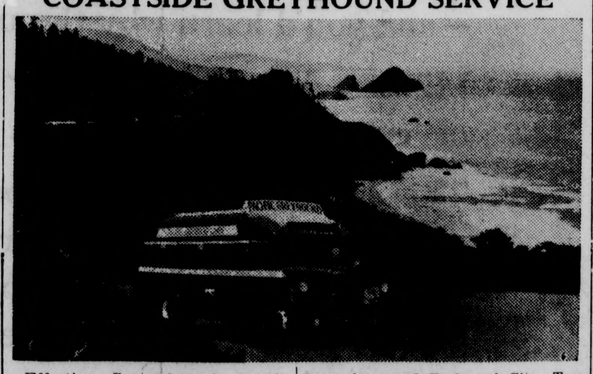

Mr. and Mrs. Morton Cook, who recently moved to Los Altos, were local visitors Tuesday. They attended the American Legion Auxiliary card party.

Menlo Park Parlor, N. D. G. W. No. 211, will give a card party in Central School auditorium September 16 at 8:15 p.m. Score cards will be 25 cents. There will be cash door and first prizes.

## Means of Developing Power Depicted Here

At a session at which plans were laid for their float for the Harbor Opening Festival parade and for Ladies Night September 21, Exchange club members Tuesday saw a talking motion picture, "Behind Your Electric Switch," presented by Earl Seale of the public relations department of the Pacific Gas and Electric Company. The film depicted the vast activity of the power firm and its more than 10,000 employes. Kenneth Van Gundy was chairman of the evening.

## COASTSIDE GREYHOUND SERVICE

Effective September 1, Pacific Greyhound Lines will start a new operation between San Francisco and Santa Cruz via Half Moon Bay over the Coastside highway. There will be five round trips daily between Half Moon Bay and San Francisco, three by way of San Mateo, and two via Sharp Park, Montara and Princeton.

Schedules from Half Moon Bay to San Mateo will make direct connections northbound to San Francisco, southbound to Redwood City and San Jose. Service will also be established between Pescadero and Redwood City. Two schedules daily will be operated in each direction between these points, one by way of San Gregorio and the other by way of Loma Mar. This will provide a new service for residents of Sky L'Onda and La Honda.

This new territory will now become part of the great nation-wide Greyhound system, and local agencies are being established in the various points where information and reservations may be obtained to all points on the Pacific coast and throughout America.

## Communist Aid Believed Given T. B. Movement

Indication—although not definite proof since the sheets bear nothing to make them official—that the Communist party is strongly behind the move to build a new tuberculosis pavilion for San Mateo county is given in mimeographed circulars being sent to peninsula organizations urging support for the move.

Unsigned, the sheets bear the legend "Issued by the San Mateo Communist Party" across the bottom.

Headed "Build a New T. B. Pavilion," the mimeographed circulars reiterate previous arguments for a new pavilion to replace the present one adjacent to Community Hospital, and assert that the building "will not raise taxes . . . if the supervisors cut the 'gravy' out of the budget.

"This can be done by a revision of the budget, but we will not get this new pavilion unless we have united action on the part of all progressive people in the county. Demand that this pavilion be built. Unite for action. Build the new T. B. pavilion now. Health, Safety First," the bulletin concludes.

This year's budget was closed without provision being made for a new building, but the supervisors have authorized a full investigation into accusations that the present structure is a firetrap and is inadequate.

**TO CONSIDER STRIKE DATE**

With a strike authorized by vote, representatives of unions at the Johns-Manville Products Corporation plant here were to meet in San Francisco tonight to set a date for the walkout, called over a difference in wages.

## Port Redwood March Copies Now on Sale

Copies of the long awaited "Port Redwood March," penned in Redwood City especially for the coming harbor opening festivities by Hal Honore', manager of the Fox Sequoia Theatre, are now on sale at 20 cents each.

Printed in blue, with a clever sketch of a ship sailing into the port, and with a dedicatory line set beneath the title, which is appropriately designed of a hemp rope border, this sheet music carries a distinct "nautical" atmosphere. They make appropriate souvenirs to mail to friends in honor of the occasion.

Honore' was at one time a professional musician, having toured the world with his own orchestra. He will be remembered by those who ptronized the old Foresters' Hall dance 15 years go as the leader of the orchestra there. He is to appear on the program at the opening meeting of the Woman's Club in Redwood City, and devotes much of his time to various musical activities for the benefit of local organizations.

The march is the official one for the celebration, proceeds from the sale going toward defraying expenses of the celebration. Copies may be secured at the Fox Sequoia Theatre, the Tribune office, or Walford's Music Shoppe, at 882 Main street.

## Low Bonded Debt Shown

Although somewhat outdated, due to the fact that two bond issues have since been voted, a report of a sturdy by the California Taxpayers Association will prove of some interest here.

The report reveals that the City of Redwood City had a per capita bonded debt on June 30, 1936, of $19.85, or a total debt of $213,877. Because of this low debt, the city ranked 136th from the highest in bonded debt per capita among the 280 California cities. The debt had been reduced from a total of $231,920, or $21.96 per capita, the previous June 30.

However, since June 30, 1936, a bonded debt of $200,000 for harbor development and $350,000 for the purchase of delinquent 1915 act bonds have been recorded.

Only 31 California cities showed no bonded indedbtedness at June 30, 1936, the association stated. These cities were Alviso, Amador, Bayshore, Bell, Belmont, Blue Lake, Crescent City, Emeryville, Fairfax, Gardena, Hercules, Indio, Jackson, Lawndale, Loyalton, Maricopa, Maywood, Menlo Park, Parlier, Patterson, Placentia, Plymouth, Point Arena, Riverbank, Rocklin, San Leandro, Sutter Creek, Tehachapi, Tehama, West Covina, and Westmorland.

The 10 cities having the higest bonded indebtedness per capita were Vernon, Newport Beach, Seal Beach, San Clemente, Pasadena, Los Angeles, Beverly Hills, Long Beach, Stockton and Avalon. The 10 next highest in bonded debt per capita were Arcadia, Arroyo Grande, Rialto, Santa Monica, Livingston, San Diego, Sierra Madre, Suisun, Eureka and Monterey Park.

## Yerington, Suicide Victim, Lies in S. J.

PALO ALTO, Aug. 31.—The body of Dr. Herbert Yerington, 65, well known Palo Alto physician who ended his life late yesterday at San Jose sanitarium, was held today at a San Jose mortuary pending funeral arrangements.

Dr. Yerington was found hanging from his bedroom door, suspended by the cord of his bathrobe. Surviving him is his widow, Mrs. Mabel E. Yerington.

## Northend Youth Dies in Crash; Several Injured

Death, four victims behind in a grim race with the county fatality toll of 1936, added another to this year's figures over a week-end marked by a series of crashes.

The victim, bringing the 1937 record to a total of 37 compared to 41 this date last year, was Albert Martin, 24, of Daly City, who died early Monday at the Villa Sanitarium, Colma, from a fractured skull he incurred when his machine collided headon Sunday in Daly City with a car driven by Francis Donohue, 28, Chico.

Daly City police who charged Donohue with reckless driving said they will probably change the accusation to manslaughter, but planned first to bring Donohue to Redwood City, for questioning by Dist. Atty. Gilbert D. Ferrell's aides.

One of the county's most spectacular accidents was a freak mishap in which a trailer broke loose from a car and careened across El Camino Real, near Tanforan, crashing into two passing automobiles, injuring one of the passengers.

The trailer became detached from the car of Harry H. Miller, 44, San Francisco, as he was driving north. The trailer first smashed into the car of Anton R. Monseigner, 50, San Francisco, and then into the machine of R. L. Brunsing, 28, San Francisco.

Injured was Louise Fadi, 52, also of San Francisco, a passenger in Monseigner's car. She suffered a bruised shoulder and head.

A serious crash on the Bayshore highway opposite Mills Field left four persons injured, two of them peninsulans.

Involved were machines driven by Ray Waddell, 32, of Daly City, and Benjamin F. Moore, 57, San Francisco, who was turning into Mills Field when his car and Waddell's crashed.

Mrs. Waddell, the driver's wife, was removed to Mills hospital in San Mateo, where physicians were examining her for possible internal injuries.

Moore was cut about the forehead and suffered body bruises, as did Waddell. June Pease, 44, who was with Moore, was also cut and bruised.

## San Mateo Building Ordinance Attacked

Attacking the constitutionality of San Mateo's city building ordinance, Atty. John E. Manders has filed a superior court appeal in Redwood City from a decision of San Mateo City Judge A. H. Stetson, fining Mrs. Lillian May Kerwin, San Mateo housewife, $200 for three alleged violations of the ordinance. Mrs. Kerwin was convicted August 14 for assertedly ordering construction of a house at 39th avenue without first securing a building permit.

## Rolph Son Wins $2025 Damages In Land Dispute

A $2025 judgment in favor of James Rolph III, son of the late governor, was handed down here Tuesday by Superior Judge Maxwell McNutt in a suit involving the sale of 130 acres of land adjacent to the Rolph ranch in San Mateo county.

Rolph charged breach of contract by Ceres Feliz Billesbach from whom he purchased the land in December, 1934 at a price of $3250. A deposit of $250 was paid to close the deal.

Mrs. Billesbach, in canceling the contract, charged falsity of representation. She said that Winifred R. Clar represented Rolph in the transaction and that the acreage involved land that was not for sale.

Leningrad was founded as St. Petersburg in 1703.

## 3-Day Labor Day Holiday To Set Travel Record

With motoring, golfing, fishing, swimming, hiking, tennis and many other pastimes to attract them, three-day holidayers will set new travel records around Labor Day, say predictions of Mobilgas officials. Below, these personable players are shown all ready for the open road, while H. W. Taylor, manager of General's Mobiloil and Mobilubricants department, holds the car door.

## McNutt Refuses To Cite Odell Or Halt Meeting

Superior Judge Maxwell McNutt declined Tuesday to hold Robert S. Odell of Atherton, president of the Pacific States Savings and Loan Company, in contempt of court.

At the same time the judge refused to issue an order restraining Odell and the company from holding a stockholders' meeting September 13 in San Francisco.

Five stockholders—those who are suing Odell, the firm he heads and several affiliated companies, for $3,000,000 in assertedly illegal profits—had asked the restraining order and contempt citation in an action the judge has had under submission since last Thursday.

The stockholder plaintiffs had alleged that Odell had placed himself in contempt of court by issuing circulars which they claimed would affect the outcome of the huge damage suit, filed here in May.

They asked the restraining order to prevent the stockholders' meeting from passing a resolution, announced in the circulars, absolving Odell and his associates from liability in the pending damage action.

Judge McNutt ruled that the circulars were "innocuous" and that to interfere with their circulation would be to violate the defendants' rights of free speech.

The judge said his only consideration of the stockholders' meeting will be in the event that any action contrary to law is taken there, in which case he will hear any supplementary charges made by the plaintiffs.

# Labor Day

THE first Monday of every September has been set aside as a legal holiday in the interest of working men as a class.

On this particular Labor Day, in the midst of strife between employer and employee and the even more intense antagonism that is splitting the ranks of labor itself, we should remember that this day is not dedicated to the mere existence of labor, but rather to the responsibility and the dignity of all honorable work.

Every man who is engaged in useful occupation, whether he occupies high place or low, whether he possesses great means or small, is in reality a worker—and the true significance of this holiday should be apparent to him.

Man works to provide a living for himself and his family—he should do it with the further purpose of making his contribution, however small it may be, to the common good.

Employers must recognize the right of workers to collective bargaining through representatives of their own choosing; they should compensate labor with fair wages and hours and proper working conditions.

The worker should endeavor to recognize his employer's problems, to frame his own demands in the light of that knowledge and in the true spirit of co-operation. He should discourage irrisponsibility in the ranks of labor and self-aggrandizement in its leadership.

Both employer and employee should discard force and resort to reason.

Now, as in the past, Peninsula Stores will do their part to co-operate with their employees in the interests of the entire community.

# T. B. Prevention Program Begins; Nurse Appointed

Appointment of Miss Pauline Merino to handle San Mateo county's new tuberculosis prevention and control program was announced Tuesday by Dr. Charles C. Gans, director of health and welfare.

Miss Merino, formerly of Sunnyvale but now of Redwood City, began her new tasks Wednesday. A graduate of the University of California with bachelor of science and registered nurse degrees and of the U. C. Hospital, Miss Merino this summer completed an accredited course in case-finding at the University of Southern California under Dr. Phillip P. Jacobs of the National Tuberculosis Association staff. Because of her training, she is considered fully qualified to handle the difficult program before her, in the opinion of Dr. Gans.

The purpose of the new "home control" program is the establishment of facts upon which a case-finding program can be based for the prevention and control of tuberculosis, according to the health director.

Miss Merino has before her the task of coordinating all the agencies in the community participating in tuberculosis work and of assisting in integrating services of clinics, sanatoria, private physicians, health departments, and other related health and social agencies. She will assist in finding cases and contacts; aid in arranging for medical supervision and early diagnosis; help in the securing of complete reporting of all cases of tuberculosis; secure and supervise nursing care in the home, and assist in securing institutional care for those needing it.

Although Miss Merino will work under the county health department's supervision, she will make her headquarters in the Andrew Building in Redwood City in the office of the San Mateo County Health and Tuberculosis Association, working in cooperation with that organization through Mrs. Ruth Close, executive secretary.

# Hand 'Phone' Rate Reduced

Substantial reductions in the extra charge for the hand-set type of telephone to customers of Pacific Telephone and Telegraph Co., and Southern California Telephone Co., throughout California were announced this week by Pres. Wallace L. Ware, of the California Railroad Commission.

This reduction, amounting to more than 50 per cent for new installations of the hand-set telephone, is the initial adjustment of rates of these companies from an informal investigation, underway for several months, by members of the commission staff.

Telephone users now pay 15 cents a month for 18 months for the hand-set type of telephone, a total additional charge of $2.70. The new rate will be 10 cents for 12 months, or a total charge of $1.20. Those persons now paying the 15-cent charge will receive a reduction to 10 cents a month for the remainder of the 12-month period.

The new rates will mean a saving to California telephone users of $275,000 annually and will become effective with the billing dates after October 1.

Additional savings will be made to subscribers using the hand-set telephone who move from one address to another. If they have completed the extra payments at one address, or are in the process of making those payments, they will be credited with that amount, instead of having to start the extra-payment period over again at the new address.

Alexander Hamilton was born on a small West Indian island January 11, 1757.

The Confederate army was short on rations during much of its Civil War campaign.

## Enrollment Gains In M. P. School

MENLO PARK, Aug. 31.—Central School in Menlo Park opened yesterday with 287 pupils, an increase over the closing enrollment of last June, with additional enrollments expected today and throughout this week.

The teaching staff at the school remains unchanged, with W. S. Bower as principal. Others on the faculty are Miss Lucie Vandergon, Miss Lucille Boulware, Miss Bertha Cuck, Mrs. Ivy Loughlin, Miss Leona Goldrup, Mrs. Elizabeth Boggili, Mrs. Dorothea Smith, Miss Ina Walker and Miss Blanche Clark.

The Fremont School in Menlo Park reported an enrollment of 52 pupils the first day, that figure being below normal because many of the students have not yet returned from vacations.

Foreign sales of farm equipment from the United States have reached their highest peak since the early part of 1931, government statistics show.

## Terminal Rate Here Pondered

The Pacific Coastwise Conference, an association of all American flag lines operating in Pacific coastwise trade, will consider the matter of applying the San Francisco basis of coastwise terminal rates to Redwood City.

This was assured here as Port Manager Walter F. Murphy received a communication from H. C. Cantelow, secretary, disclosing that the question would be taken up by the organization's board of governors at the first meeting in September.

**PATROLMEN ON NIGHT DUTY**

Four new patroimen, all transferred from the San Francisco Golden Gate bridge patrol, have joined the county patrol staff. They are Joseph Hallisey, Everett Ingram, Arthur Hilman and William S. Stimmann, all residents of San Francisco. The men were all assigned to night patrol duty, according to Acting Patrol Capt. Otto Schramm.

# R. R. Counters Boellaard Suit

The Southern Pacific countered Tuesday with a charge of contributory negligence the $45,000 damage suit filed by Olga, 8, and Leanna Boellaard, 5, for death of their parents, Mr. and Mrs. John Boellaard, in a Rogers street crossing accident July 16, 1936.

The railroad company and John L. Crabbe and Witte Hoogendyk, who were operating the locomotive, denied any negligence on their part; denied that Boellaard slowed down when he approached the crossing, and blamed him for negligence in driving the car into the path of the engine.

The Redwood City orphans were the center of a dramatic custody fight which ended in their guardianship being awarded Miss Nina Kusnetsoff, their aunt, who come from Japan to claim them.

Only three patents were issued in the first year of the U. S. patent office, but total now is more than 2,150,000. More than 100,000 are for the automobile.

# $10,000 Fund Will be Asked

Dark hours of the depression, unemployed heads of families, poverty stricken homes—

All of these combined to stir Capt. Edward Macauley during those days of the depression era, into a man of action who sought to relieve suffering of his fellow men.

He became San Mateo county's first unemployment director at no compensation except the pleasure which he derived in knowing the needy were being aided.

Then followed his appointment by President Roosevelt as a federal relief administrator in California. Still other important appointments followed. Then retirement from public life—until today.

Today Captain Macauley emerged from retirement to head still another merciful task—that of acting as chairman of the San Mateo Preventorium drive for a $10,000 membership beginning September 15 to 28.

Captain Macauley accepted the chairmanship of the drive upon solicitation of Preventorium leaders who stressed the organization's needs for funds if it is to carry on the work of tuberculosis prevention among the county's needy children.

"The Preventorium is a splendid organization," Captain Macauley commented briefly upon accepting the drive chairmanship, "and well worthy of public support. I shall be very happy to be of assistance in the organization's drive for funds."

"We feel grateful to Capt. Macauley for his acceptance of the Preventorium drive's chairmanship," said Mrs. Harry S. Dana, president of the organization.

"We know that the future of those little children whom we seek to protect against tuberculosis could be placed in no kinder and more sympathetic hands than those of Captain Macauley."

# *Two Harbor Road 'Loops' Planned*

Two roads to the harbor will be made available by the time of the festival, City Manager C. L. Dimmitt disclosed this week.

The crowd of visitors expected to view Port Redwood City on September 10, 11 and 12—dates for the festival—will find plenty of parking space available for their cars on the area now being graded by tractors and road equipment.

While only one road goes out to the harbor, there are two branches near the harbor site, which will allow drivers to make the loop in front of the new port without backing up to turn around. Cars will be routed in one way and out the other, Dimmitt explained.

# Widow of Late County Educator Taken by Death

Death came over the week-end in Corte Madera to Mrs. Mary Louise Hall, widow of the late Henry C. Hall, who for many years was principal of the Menlo Park Grammar School and a member of the county board of education.

The Hall family has been closely connected with San Mateo county education. The Halls' son, George Hall Jr., is principal of the San Bruno Grammar School, while the late Henry Hall's brother is George Hall, superintendent of the San Mateo grammar schools.

Last rites for Mrs. Hall will be

# San Carlos School Gains in Enrollment

SAN CARLOS, Aug. 31.—Vacation days are over and once again activities of the younger generation are centered around the school, the deserted atmosphere having changed yesterday into one of liveliness when 252 elementary grade children gathered for the opening of the 1937 fall term. The enrollment on the first day was approximately 30 more than the first day last year.

With 32 children registered so far in the reorganized kindergarten, and more expected, officials are confident that the kindergarten will be a permanent institution.
